Providing a Caring Community for Christians in Retirement

Come visit us and see what we have to offer.

Residents at Turner Retirement Homes enjoy the comforts of home the beauty small town and country setting with the security and support of a highly professional staff.

We understand older people and that their needs for support and care may change, so TRH is happy to be able to provide both independent living as well as residential care. We value independence and help our residents thrive at each stage of retired life. Folks enjoy an independent, fulfilling lifestyle, with services that meet their needs. In the assisted living or Residential Care Facility, the staff provides personalized assistance, compassionate care, a variety of planned activities and warm atmosphere of Christian love and hospitality. It's the perfect alternative for seniors who can no longer live on their own.
